*Promoting the Quality and Quantity  
of Ballroom Dance in Massachusetts*

**July – August 2019**

## A letter from our President

I have been watching the Women's World Cup Soccer tournament. The tournament's theme this year is "Dare to Shine." This is a theme that resonates with me in my personal ballroom dance journey, and I imagine many of us feel the same. We may be beyond our comfort zone every time we step on the dance floor. Yet dance, by its very nature, requires us to be in the spotlight. To enjoy the music, the dance, the steps and the partners, we must get out there and be seen. So put on your dance shoes, and your biggest smile, leave your insecurities and worries at home. Bring your own style to the floor and enjoy yourself!

**DARE TO SHINE!**

## An Invitation from MASSabda to Participate in the Bill Morganti Dancesport Series Group Classes Start July 11, 2019

It has been 10 years since Bill Morganti helped MASSabda launch the first dancesport series. This series is now offered in tribute to Bill's dedication to bringing new dancers into the world of competitive ballroom dancing.

This group will compete against each other in a special dancesport event at the **The Boston Open Dancesport Competition** on **Saturday September 21, 2019 in Needham, MA**. This is an 11 week series and will focus on 3 dances-Waltz, Tango and Foxtrot.

This series is designed for dancers who have some dance experience and can build on their basic steps.

The fee of \$190 covers 11 90 minute group lessons, admission ticket and registration for the Boston Open Dancesport Competition for our 3 dance event.

All classes will be held at **Kadanse at 8:15 PM on Thursday evenings**.-Studio address is 346 West Cummings Park Woburn, MA 01801.

Dance classes will be taught by Kelley St. Hilaire. Kelley and Fitz are owners of the Kadanse Studio and bring 20 years of teaching and pro am dance experience this series. They were Rising Star finalists in a number of national level competitions in the American Rhythm style. They have competed and performed internationally. They opened their studio in 2009 and teach all styles of dancing.
