A Letter from the President of Massabda

A special moment happened on the dance floor the other night at Moseley's on the Charles. The date was September 11th, 2019. Ray Cavicchio, the band leader and Army National Guard Veteran, took to the mike and asked all to remember the tragedy that was 9/11 "So we will not forget as there are already those that say it never happened". Then he sang a stirring rendition of "God Bless America". What evolved on the dance floor was an amazing tribute. It started slow, and clearly unorganized, a few people started holding hands, then a few more, then a circle started to form. Then others joined in and all started marching in then out. Nothing planned, completely organic. Everyone of different backgrounds, beliefs, and ethnic origin. Showing that what binds us together is far stronger than those that try terrorism against us. In a ballroom, on a Wednesday, we did not forget, we gave tribute. Thank you Ray!

As you probably know, Moseley's is going to discontinue their Wednesday night dances. Consequently, December 11th will be our last Wednesday there. We are proud to be part of the long history of dancing at Moseley's and thank Edward DeVincenzo (the owner) for the opportunity. Let's celebrate our over three years of participation and end it on a high note.

Tom Weaver
President MASSabda.

A woman with long dark hair, wearing a white long-sleeved top and a black skirt, is captured in a graceful dance pose on a sandy beach. Her arms are raised, and her skirt is blowing in the wind. The background shows a line of trees and a clear sky.
