## A Message from our President

Happy New Year everyone! We hope your year was filled with joy and dance and that you are looking forward to more dancing in the future. Thank you all for your continued support and enthusiasm. You inspire us.

Good News. Edward DeVincenzo (owner of Moseley's) has decided to continue Wednesday night dancing. Moseley's has been in operation since before radio broadcasting (1906), Fenway Park (1912) and Penicillin (1928). It is older than five states: Oklahoma, New Mexico, Arizona, Alaska, and Hawaii. It has outlasted both World Wars, the Vietnam war, the Korean war, and the Soviet Union. One can only imagine the discussion that went on over the years. "I think of all the relationships that started here -- and ended here. If these walls could talk," says Eddie.

I know I speak for all MASSabda members: we are proud to help Moseley's in its endeavor to be one of the oldest continually operating ballrooms in America.

MASSabda is a 501c3 nonprofit organized to spread the social and health benefits of ballroom dancing through educational programs, social and competitive events, and outreach programs. We are dancers organized for dancers. Activities are managed through an all-volunteer board composed of dance enthusiasts who are also business professionals. The board strives to be the first point of contact for all those looking for a place to dance, people to dance with, support for WDSF competitors, and to show a social conscience.
